6. Authorisation to purchase own shares

On the general meeting of 19 May 2011, the board was authorised to purchase the company's own shares up to a total nominal value of NOK 861,143. The authorisation is in force until the annual general meeting of 9 May 2012. In the opinion of the board, an extension of the authorization is necessary in order to be able to fulfil the company's share option program. The board proposes to extend the authorization and that the General Meeting passes the following resolution:

The board is, pursuant to Section 9-2 to 9-4 of the Public Limited Companies Act, authorized to purchase and hold shares in the Company. The shares to be acquired under this authorization shall not be acquired at a higher value than market terms on a regulated market where the shares are traded.

This authorization may be used one or several times. The maximum face value of the shares which the Company may acquire pursuant to this authorization is in total NOK 1,291,715, which equals to approximately 5.0 % of the Company's share capital.

Acquisition of shares pursuant to this authorization may only take place if the Company's distributable reserves according to the most recent balance sheet exceed the remuneration for the shares to be acquired. The board is free to determine how the company's own shares will be acquired and sold, provided an acquisition under this authorization must be in accordance with prudent and good business practice, with due consideration to losses which may have occurred after the balance-sheet date or to such expected losses.

The authorisation shall be in force from the date of the general meeting until the annual general meeting in 2013, however, not later than until 30 June 2013. This authorization replaces the authorization to the board to purchase own shares, given by the General Meeting the 19 May 2011.

The shares of the company and the right to vote for shares

The company's share capital is NOK 25,834,303 divided into 25,834,303 shares. Each share is entitled to one vote.

Each shareholder has the right to vote for the number of shares owned by the shareholder and registered on an account in the Norwegian Central Securities Depository (VPS) belonging to the shareholder at the time of the Annual General Meeting. If a shareholder has acquired shares and the share acquisition has not been registered with the Norwegian Central Securities Depository (VPS) at the time of the Annual General Meeting, voting rights for the acquired shares may only be exercised if the acquisition is reported to VPS and proven at the Annual General Meeting. In case of ownership transfer, the parties may agree that the seller can exercise the shareholder rights until the rights have been assumed by the acquirer.

Voting rights on shares registered in VPS accounts belonging to custodians, cf. the Public Limited Liability Companies Act § 4-10, may, from the company's point of view, not be exercised either by the beneficial owner or the custodian. However, the beneficial owner of the shares may exercise voting rights if he proves that he has taken the necessary actions to terminate the custodianship of the shares and that the shares will be transferred to an ordinary VPS account in the name of the owner. If the owner can prove that he has initiated such measures and that he has a real shareholder interest in the company, he may, in the opinion of the company, vote for the shares even if they are not yet registered in an ordinary VPS account.

The shareholders' rights

A shareholder cannot demand that new items are added to the agenda when the deadline for such request has expired, cf. § 5-11 second sentence of the Public Limited Companies Act.

A shareholder has the right to require the members of the Board of Directors and the General Manager to provide necessary information to the General Meeting that may influence the approval of the annual accounts and the annual report, items which have been presented to the shareholders for decision, the company's financial position, including information on other companies in which the company participates, and other items to be considered at the Annual General Meeting, unless the information requested may not be disclosed without causing disproportionate damage to the company.

If additional information is necessary, and an answer cannot be given at the Annual General Meeting, a written answer shall be prepared within two weeks from the date of the Annual General Meeting. Such answer shall be available to the shareholders at the company's premises and be sent to shareholders requesting the information.
