Mr. Ingvald Fardal, member (elected to 2021)

5. Authorization to increase the share capital

The board proposes that the general meeting passes the following resolution:

"The board is authorized to increase the company's share capital by up to NOK 3,333,430, through subscription of new shares. The authorization does not authorize the board to waive the pre-emptive right of shareholders pursuant to section 10-4 of the Public Limited Liability Companies Act (the "Act"), nor carry out a capital increase through payments in non-monetary assets, nor incur special obligations on behalf of the company as set out in section 10-2 of the Act, nor decisions on mergers pursuant to section 13-5 of the Act, and may not be used in connection with the company's option program.

The authorization shall be in force until the earlier of the time of the Annual General Meeting in 2020 and 30 June 2020. This authorization replaces all previous authorizations to the board to increase the company's share capital."

6. Authorization to purchase own shares

The board proposes that the general meeting passes the following resolution:

"The board is, pursuant to Section 9-2 to 9-4 of the Public Limited Liability Companies Act, authorized to purchase and hold shares in the Company. The shares to be acquired under this authorization shall not be acquired at a higher value than at market terms on a regulated market where the shares are traded, and the minimum and maximum price that may be paid for each share is NOK 1 and NOK 150, respectively.

This authorization may be used one or several times. The maximum face value of the shares which the Company may acquire pursuant to this authorization is in total NOK 833,358 which equals to approximately 2.5 % of the Company's share capital.

Acquisition of shares pursuant to this authorization may only take place if the Company's distributable reserves according to the most recent balance sheet exceed the remuneration for the shares to be acquired. The board is free to determine how the company's own shares will be acquired and sold, provided an acquisition under this authorization must be in accordance with prudent and good business practice, with due consideration to losses which may have occurred after the balance-sheet date or to such expected losses.

The authorization shall be in force until the Annual General Meeting in 2020, however, not later than until 30 June 2020. This authorization replaces the authorization to the board to purchase own shares, given by the General Meeting on 15 May 2018."

7. Authorisation to the Board to approve the distribution of dividends

The board proposes that the general meeting passes the following resolution:

"The board of directors are authorized pursuant to the Public Limited Liability Companies Act § 8-2(2) to approve the distribution of dividends based on the Company annual accounts for 2018. The authorization also includes distribution in the form of repayment of paid-in-capital.

The authorization may be used to approve the distribution of dividends up to an aggregated amount of NOK 100,000,000.

The authorization is valid for dividends from and including the second quarter of 2019 and until the Annual General Meeting in 2020, however, not later than until 30 June 2020.

The board determines from which date the shares will be traded ex-dividend.

This authorization replaces the authorization to the board to approve the distribution of dividends, given by the General Meeting on 15 May 2018."
